Subject: Microsoft Settlement

To Whom It May Concern:

I am strongly opposed to the proposed settlement in the Microsoft antitrust trial as it fails to address the following:

- a.. It does not adequately penalize them for past transgressions
- b.. It does not provide mechanisms to correct their anticompetitive behavior
- c.. It does not inhibit their ability to commit similar actions in the future.
- d.. It does not allow their competition adequate measures to overcome Microsoft's current monopoly.
